Abstract:

The records comprise the remnants of the administration of the VOC factories in Cochin, Nagapatnam/Pulicat, Surat and Chinsura/Hooghly, headquarters of the establishments of Malabar, Coromandel, Surat and Bengal respectively, and their legal successors. They cover the period 1643 - 1852. The archives of Cochin are relatively complete and include the records of the orphan chamber. With regard to Surat and Chinsura/Hooghly, only fragments of the administration have survived. Hardly anything remains of the records of Nagapatnam/Pulicat.
